Product Information

Restone Recycled Glass Filler - RST Series **Recycled Glass Filler for Cultured Marble / Gravity Cast Applications**

The Restone Recycled Glass Filler series is a preblended, engineered filler incorporating 100% recycled glass. Designed with the environment in mind, Restone combines our knowledge of easy-to-use fillers along with 30% pre and post-consumer recycled glass content and our patented color granules. This collection renews your product offering with 9 unique color patterns and opens up possibilities for those with a passion for green building. Restone may also contribute to earning points under the LEED Green Building rating system.

ReStone offers the following features:

- One bag mix - preblended for convenience
- Good suspension in casting resins
- 30% recycled glass content by weight
- 20-25% resin requirement depending on resin viscosity
- Class A flame retardant

Product Application:

Restone is perfect for customers and designers seeking a beautiful, eco-friendly and sustainable surface. Versatile applications include vanity decks, tabletops, wall shower surrounds, shower bases, desktops and conference tables.

Restone is designed to be used behind a clear gelcoat. Gelcoat provides chemical and stain resistance and helps prevent blushing.

Our color brochure and dry samples are available in limited quantities. Please contact your R.J. Marshall Representative for assistance.

Revised March 2, 2011

Terms and Conditions of Sale: All statements, technical information and recommendations are based on tests we believe to be reliable, the accuracy or completeness is not guaranteed, and the following is made in place of all warranties, expressed or implied. Our only obligation is to replace product proved to be defective. We shall not be liable for any injury, loss or damage, direct or indirect, from using or not being able to use the product. Before using, customer must determine the suitability of the product for the intended use and customer assumes the responsibility. This statement may not be changed except by an agreement signed by an officer of The R.J. Marshall Company.
