*With 8 new colors, The R.J. Marshall DGE, LXS and SGA product lines present a variety of colors and textures for outstanding design.*

*Create warm tones popular throughout design using LXS 308 Acorn, SGL 392 Barley or LXS 394 Canyon. Get the look of a concrete surface with DGE 281 Concrete or add pigment to the matrix for a colored concrete look, perfect for industrial design. Add a touch of color with the rusty red of LXS 870 Sedona or SGL 849 Autumn. Enhance the look of modern and contemporary design with the deep rich colors of DGE 347 Dark Chocolate or SGA 363 Chestnut.*
